

Support Garland High School Class of '08

The Class of '08 will be taking orders for flowers from Sept 11-Oct 5. The flowers, which will arrive on Oct 13, are priced at \$15 per flat. These are high quality pansies grown from Bruce Miller Nursery of Richardson. They can be picked up at the front parking lot of the school on Saturday, Oct 13 between 10 a.m. and 12 p.m. Choose from solid colored pansies and mixed pansies. Order forms may be picked up from Mrs. Hensleigh Parsons in the office, or e-mailed to customers from Parent Boosters or Officers. All order forms must be in no later than Oct 8!

For more information contact Donna Ruthenborg, Phone 972) 698-8151, or Sue Vale, Phone 972) 414-1496, of the 2008 Parent Boosters. More forms available at our Class of '08 website, www.owls08.com, on garlandowls.com.

We encourage all Seniors and their families to participate in this event to help raise money for our Senior Prom! These sturdy cool weather plants have been sold by Seniors for the past several years and grow beautifully. 18 plants come in one flat.

Please tear off this portion and turn it in to GHS Student Activities.
